

## AASCO Secure Site Registration Form

(This is for Seed Control Officials only)

Seed Control Officials can request to be a user of AASCO's Secure Site by filling out and submitting this form.

- **Only approved registered users are allowed into AASCO's Secure Site.**
- Choose a username for yourself (such as your last name) and make sure this username contains no spaces. Also create a password. Together, these will be your "key" into AASCO's Secure Site from now on. This information will be kept in a registration database that is accessible only to the webmaster.
- Please fill out the form and click Submit.
- **Please remember to allow several days for approval.** Access to the Secure Site is not automatic and you will NOT be able to immediately access the Secure Site as soon as you submit your registration form.
- Once your registration has been approved for AASCO's Secure Site, you will receive a confirmation e-mail with instructions on how to access the Secure Site from that point on.

---
